Dear Sheldon

Inspection of St Anne's RC High School by the Catholic Schools Inspectorate on 12th and 13th June 2025

I have pleasure in enclosing the report from the recent inspection.

This report was a pleasure to read, reflecting the hard work and dedication of all to promote Gospel values which inspire a community into action to serve others. Strong systems, now embedded, promote a thriving Catholic Life and Mission at St Anne's. Well done!

The school must upload a copy of the report to their website, and distribute it to parents, within five working days of receiving it. It will also be available electronically on the diocesan and CES websites.

A copy of the report has also been sent to the chair of your governing board.

Attached to this email is also a copy of our post-inspection survey. I would very much appreciate your considered response as it will help us to improve our service to the bishop.

I would like to take this opportunity to thank you for your support and assistance in the inspection process.

With every good wish.

Yours sincerely

Martin Johnson
Catholic Schools Inspectorate Coordinator
